CUSTOMER MOBILE APP

Buyer Experience

Tier one from day 1.

The whole buyer journey in one branded app: payments, documents, progress and handover, live from CRM.

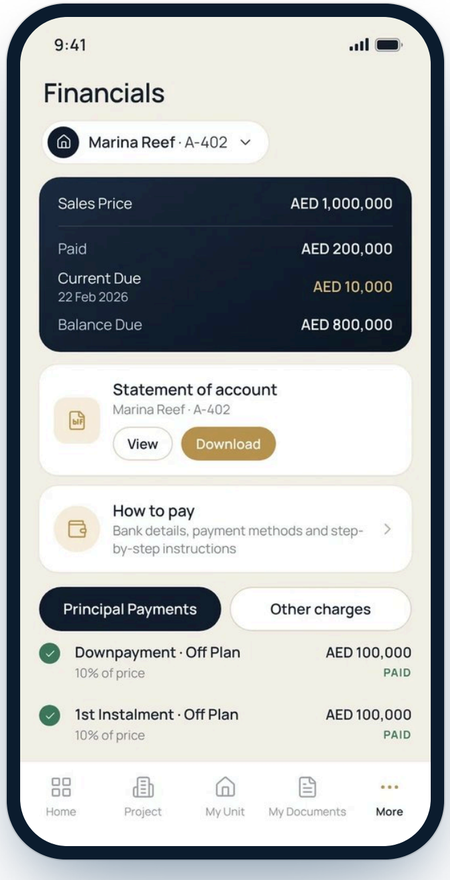

iPhone and Android | English and Arabic | Live from CRM

WHY IT MATTERS

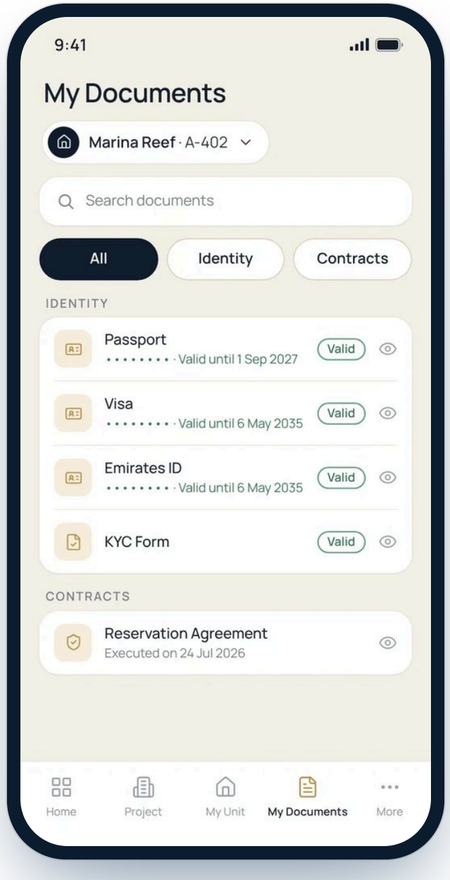

Three questions. One app.

Every buyer asks the same three things. The answers are already in their pocket, with no calls and no waiting.

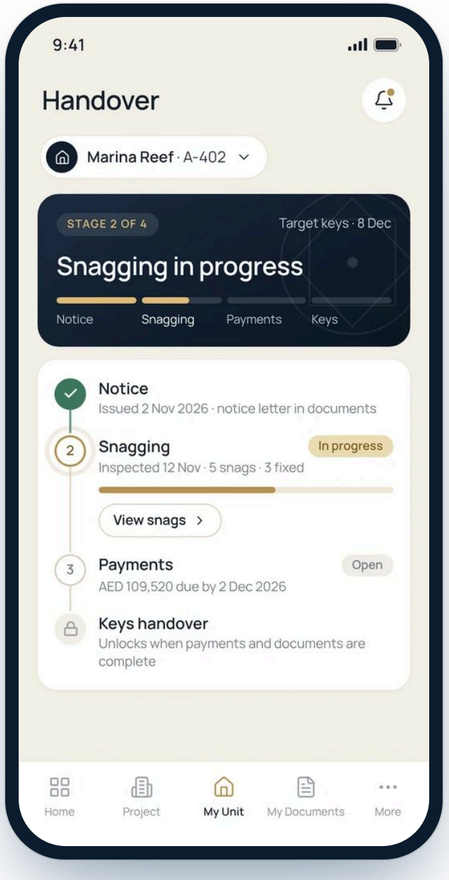

What do I owe?

Paid, due and balance, to the dirham

Where are my documents?

Every contract and ID, one tap away

When do I get my keys?

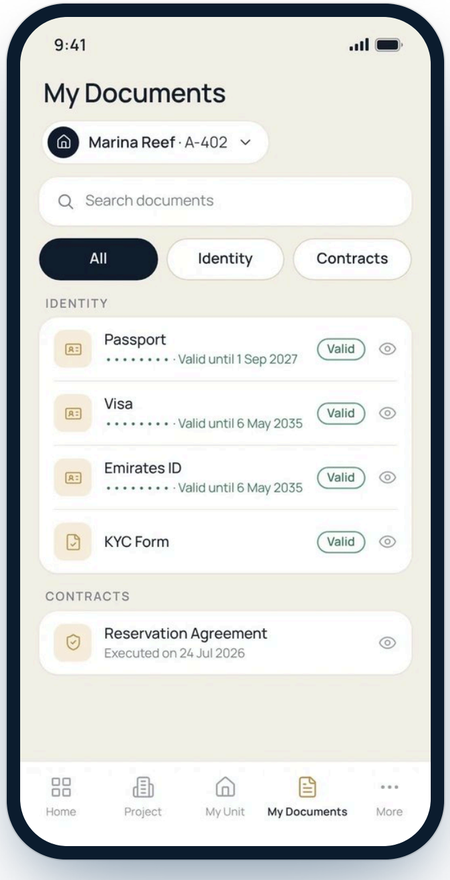

Each handover step, in order

 Screens show sample data.

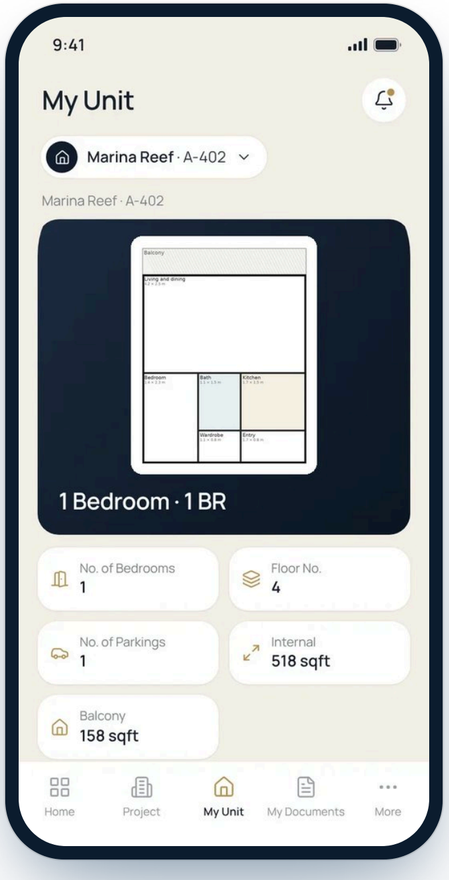

EVERY DAY · 1 OF 2

Everything they own, in one place.

Contracts, payments and the home itself. Current, complete and one tap away.

Contracts

Reservation agreement and SPA
IDs with validity dates
Search and download

Financials

Paid, due and balance
Statement of account
Pay by transfer or cheque

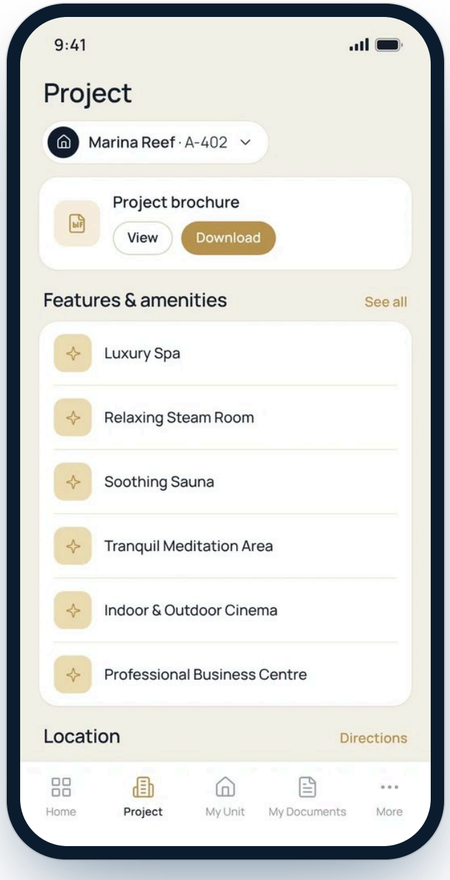

My unit

Layout and floor plan
Size, floor, parking, balcony
Purchasers and shares

EVERY DAY · 2 OF 2

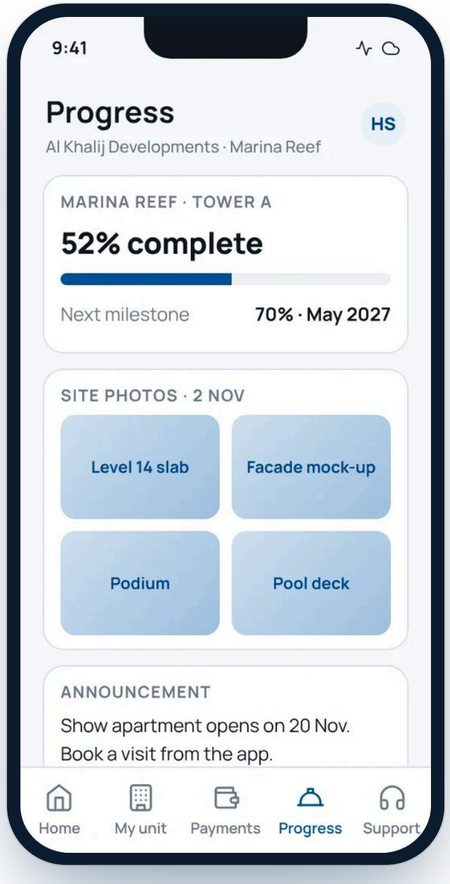

Every update, without asking.

Progress, project news and help arrive in the app, so buyers stay confident from booking to completion.

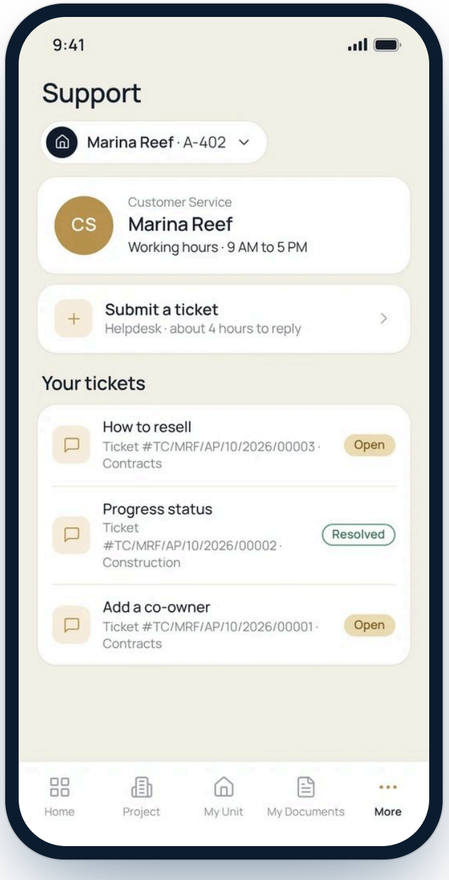

Brochure and amenities

Project brochure to download
Features and amenities
Location and directions

Construction updates

Percent complete, next milestone
Site photos by date
Project announcements

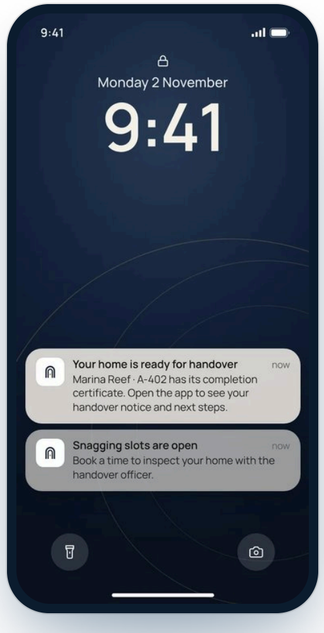

Customer service

Raise and track tickets
Call, WhatsApp or email
Working hours in the app

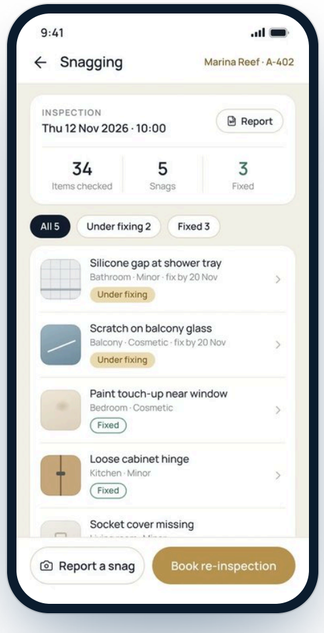

HANDOVER

From completion to keys. Beautifully simple.

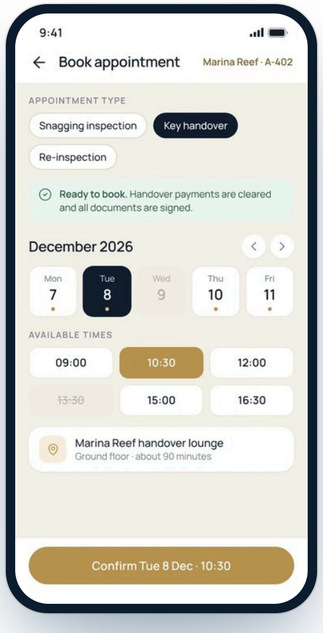

Inspect, pay, book and sign from the phone. Keys in hand, without the paperwork chase.

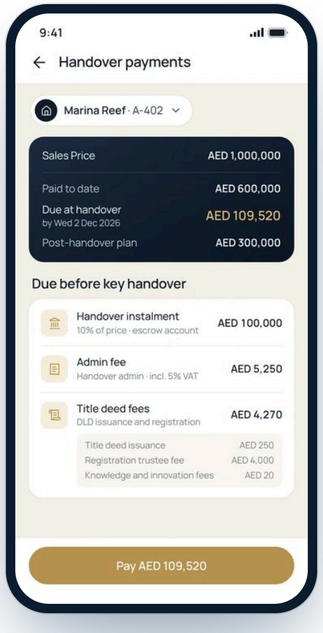

01 Ready for handover

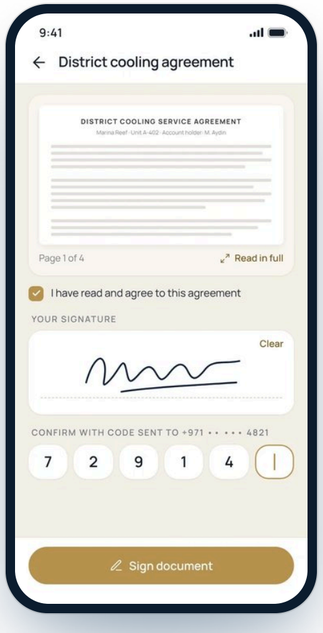

02 Stages and snags

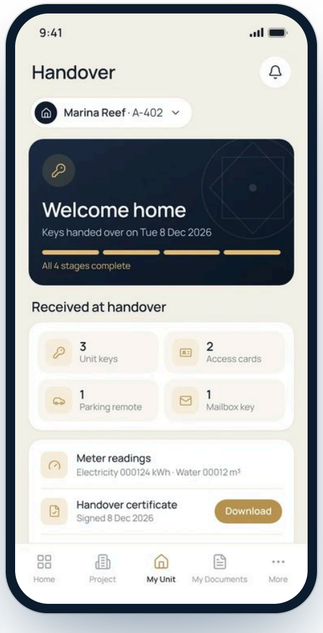

03 Book appointment

04 Handover payments

05 Sign on screen

06 Welcome home

 Screens show sample data.
